## Industry & Price Perspective Fundamentals of A&D

W.P. (Bill) Gwozd, P.Eng.  
VP Gas Services

November 12, 2008

Synopsis: The Zen of Calgary's hockey scene will share gas and industry insights in these volatile times. Gas prices? Finding costs and supply? Canadian vs. U.S. trends? Ziff will share his observations on what's going on out there in the market place. What factors are driving the industry and what teams need to do on the fly to adjust their offences and defences to these new rules of the ice.
